

I do not often see the playful otters cause they are nocturnal. Look for their footprints on the beach at Fisherman Pond.

berry with easant berry. is in our area.

N

The high domed box turtle can be found here.

An aptly named bird, the Belted Kingfisher is distinctive in blue gray body and crown like a crest. It dives into the water to catch fish with its spear like bill. The male has one white belt on his chest, the female two. Its call sounds like a rattle.

-  **Wet Sox Trail** – 0.5 mile loop
-  **Mill Creek Lane** – 1 mile
-  **Kingfisher Trail** – 1.3 miles
-  **Deep Woods Trail** – 2 miles
-  **Perimeter Hike** – 2.7 miles
